

Greetings to all students and parents!

At the onset, we pray to God Almighty to bless us all with His mercy and forgiveness and keep us all safe.

Welcome to the New Session 2020-2021

Your school, St. John's Sr. Sec. School, Meerut Cantt. comes to you with virtual classes through WhatsApp notes, pictures, PDF files, audio- visual aids, online links, etc for the new academic session. Although nothing can substitute classroom teaching, we will still endeavour to bring academics to your homes through assignments on WhatsApp during this lockdown, on daily or weekly basis.

In sync with the above, The class WhatsApp groups have been created by the class teachers, as the group Admin.

These groups are to share information notes and assignments related to studies of the students during this lockdown.

If there are any queries related to the assignments, please feel free to ask your teacher, individually, through messages ONLY. The teacher will make it explicit, in due time, either individually or collectively on the group.

Dear students, please use your time lucratively to accomplish your assignments so that each one of you can keep yourself updated and move together in this academic year.

We are proud of you, and thank you for being alert and responsible citizens by staying at home and staying safe.

Dear parents, we are counting on your co-operation during this global pandemic.

Kindly support your ward and school to continue with the process of education at this critical juncture. It will not be out of place, if I plead to all to adhere to the do's and don'ts advised by our P.M and our government to prevent the spread of COVID-19. Its aptly said, "Prevention is better than cure." So stay at home! Stay safe! Stay healthy!

We hope and pray that the situation will improve and we will meet soon!

Thank you and God bless you!
